

PROPERTY MANAGEMENT SERVICES

# ABOUT US

**Hanami Group** provides an annual property management service to owners in order to ensure their properties are efficiently managed, **avoiding unnecessary inconveniences** which could be difficult to manage away from home.

We will be responsible for **comply with all property requirements executing regular visits**, coordinating with external companies (gardeners, pool maintenance, etc) and providing regular update reports.

With this service, Hanami Group offers to each owner an optimal property management which will **maintain the value of the property in the long-term.**
